Sir:

Applicants hereby petition to withdraw the holding of abandonment of the above-identified patent application. The subject application was abandoned for failure to timely pay the required Issue Fee within the statutory period of three months from the mailing date of the Notice of Allowance dated April 1, 2002. Applicants previously filed a Petition to Withdraw the Holding of Abandonment on September 10, 2002, but to date no response has been received from the Patent and Trademark Office.

Applicants respectfully submit that the Notice of Allowance dated April 1, 2002, was never received by Applicants' undersigned representative. Applicants' undersigned representative has made a careful search of the entire file jacket for the subject application and the Notice of Allowance dated April 1, 2002, was not present. A review of the docket records also indicates that the Notice of Allowance was never received.

Submitted herewith is Exhibit A which is a copy of our computer docket sheet for July 1, 2002, which would have included an entry for the Issue Fee being due if the Notice of Allowance had been received. Our firm's typical mail handling procedure is for all mail to be docketed as soon as it is received.

In view of the evidence submitted herewith showing that the Notice of Allowance was not received by Applicants' undersigned representative prior to the expiration of the statutory period for the payment of the Issue Fee, it is respectfully submitted that the abandonment of the application is improper. Therefore, it is respectfully requested that the abandonment of the application be withdrawn and a new Notice of Allowance be sent to the undersigned.

In the event that any fees are due with respect to this paper, please charge our Deposit Account No. 01-2300.

Respectfully submitted,

Charles M. Marmelstein
